Level 1	Level 1	Level 1	Level 1

Proclamation, City of Seal Beach, Orange County

A Proclamation from the City of Seal Beach, Orange County has been received proclaiming a Local Emergency due to a major fire that occurred on the Seal Beach Pier, 05/20/16.

- There are no requests for State assistance.

Low Level Research Flights, Los Angeles area, SF Bay Area, Sacramento Valley, San Joaquin Valley

A CLETS message was disseminated to the affected local government Law Enforcement agencies regarding a small aircraft contracted by the California Energy Commission to collect air samples to test for methane emissions from 05/23/16 through 06/30/16.

- The plane will be flying at FAA approved altitudes of at least 500 feet above local ground and obstructions and relatively far from the facilities.
- The air sampling performed during this study will be used to estimate short lived climate pollutant emissions of methane from natural gas activities in California.
- Scientific Aviation Inc., UC Davis, and the Lawrence Berkeley National Laboratory are contracted to do the work.

Local Business Fire, El Camino Real, Santa Clara County

Cal OES Coastal Region personnel are reaching out to a number of businesses impacted by a 5-alarm fire that destroyed a small shopping mall with the possibility of offering SBA support.
